Let us introduce ourselves,

Solid Rock Christian School is a private Christian school promoting excellence in discipleship, academics, and leadership. Our goal is to help students identify their God-given gifts and purpose. Solid Rock Christian School was birthed in 2023 by Riverside Community Church in Rainier, Oregon.

We admit students of any race, color and national origin to all rights, privileges, programs and activities accorded or made available to the students at the school.

Our Motto

“Coming alongside our youth to help them discover their God given gifts and learn how to develop those gifts to lead purpose-filled lives.”

Our Focus

Solid Rock Christian School maintains a focus on providing a high quality Christian education that encourages critical thinking. Our mission is to provide an environment where students gain a solid foundation of academics while identifying and focusing on their strengths. All our faculty members and board members are Christians and have a call on their life to educate, mentor, support the school and train young people. Our faculty has a desire to be of service to students and their families as well as the community.

We are committed to providing an academic environment that is safe and challenging for students. Everyone that comes to Solid Rock Christian School will be challenged both academically and spiritually and should feel loved and cared for as we strive to maintain our excellent standards.

Our Goals

It is our passion and goal to offer an exceptional educational experience for all who desire to be a part of the school’s mission. Every policy we make and the program we have created are centered around the belief that each student has something beautiful and unique to them that is meant to enrich their families and communities.

We believe that as we faithfully fix our eyes on God and ask Him to reveal His plan for our lives, He is faithful to guide us into that purpose (Romans 8:28). It is also our

highest priority that we provide an environment that is both academically challenging and spiritually fulfilling; that both are crucial to the success of one's life.

Our Purpose

Our highest purpose is to live according to God's plan for our lives. Solid Rock Christian School will prepare and provide each student an opportunity to succeed in the four areas listed below:

1. Pursuing God: All of our curriculum is centered on biblical truths and focuses on Christian values. It is our aim to continually point our students to God as the creator of all, and the author and finisher of their faith (Heb. 12:2). We believe that as they grow in knowledge of the Word and their Creator; our students will mature in their faith which will impact how they live their day-to-day lives.
2. Discipleship: We believe that all of us are called to discipleship (Matt. 28:16-20). We want every student to be equipped with an awareness of their role in the Great Commission to share the gospel as they work, play and live in their community. As each student develops their understanding of the gifts God has given them, they will be able to develop those gifts into purpose and opportunity to share the gospel in the places they are sent throughout the world.
3. Academics: Our goal is twofold:
 - To prepare students to be critical thinkers with a strong foundational understanding of academics.
 - To become attentive to the needs of their communities and the world; examining how they can contribute in a positive way and for the kingdom's glory.
4. Leadership: To mentor tomorrow's leaders in whichever field of study, career or endeavor the student chooses to pursue as a result of identifying their gifts. We desire to equip each student with the skills and tools to go into the world and shine light in all the areas of work and ministry they are called to.
